&ldquo;The Whole World Will Know&rdquo;

ICOC International Campus Ministry Conference 2009

20 CAMPUS CONFERENCES WORLDWIDE!

The ICOC Campus Service Team is excited to announce the plans for the worldwide campus conferences this year. The campus committee is made up of 12 campus ministers and evangelists who serve to coordinate conferences and encourage unity among the campus ministries of the International Churches of Christ. The committee has helped to host conferences in Texas; California; Massachusetts; and Baton Rouge, Louisiana. We have seen the attendance grow from 300 to 1500 over the last four years. (Click here for more information on the Campus Service Team .)

This year we will go from one conference to 20 campus conferences in 18 different countries! These conferences will prayerfully serve to start the fires of revival for many campus ministries around the kingdom. Please pray for the upcoming conferences, so that the the whole world will know that God is alive and working powerfully on every campus around the globe. For more information on a conference coming to your area please contact the conference planner (information listed below) or go to [www.hereamisendme.net](http://www.hereamisendme.net).
