

## 20 Commit to Cooperation Churches

Contributed by Roger Lamb  
Monday, March 16 2009

20 more churches in 8 countries have committed to the Cooperation Churches. The spirit among the International Churches of Christ is characterized by brotherhood, inspiration and mission.

As our fellowship was searching for God to lead us in how to build a new, healthy interdependent family relationship, over 350 churches committed to each other and to the Cooperation Proposal.

Here are the most recent churches to commit to serve together and support each other.

For more information on the Cooperation Churches including a complete history, list of churches and news of their efforts, click here: [www.icocco-op.org](http://www.icocco-op.org)
