

## ICMC Registration Now Open Online for US

Contributed by Roger Lamb  
Wednesday, May 27 2009

God

has used the International Campus Ministry Conferences of the last few years to revitalize the campus ministries of the International Churches of Christ. In 2005, only 300 students attended. Last year 1500 came to the LSU campus and served in New Orleans. This year 20 ICMCs are being held around the world including one in Los Angeles and one in Virginia Beach. Online registration is now available for both these US locations.
